

BID SPECIFICATIONS CORRUGATED METAL PIPE

All Corrugated Metal Pipe shall meet or exceed specifications as outlined in the Invitation to Bid and as set out below, and shall comply with each of the following:

- Bid proposals shall include any of the following: Galvanized Metal Pipe no Coating (Plain), Galvanized Metal Pipe Full Bituminous Coating Paved Invert Coating, Galvanized Pipe Polymeric Coating or Aluminized Metal Pipe no Coating (Plain).
- Bidder shall include Manufacturers Specification Sheet(s) listing pipe size and shapes, corrugation type, and weight per foot for each type of corrugated metal pipe for both plain pipe and each coating as specified.
- A copy of a list containing all size products bidder proposes to furnish shall be included for each item bid. Each pipe size shall have a specified weight per foot description, including coating where applicable. ***Bids submitted without size product proposals or weight per foot descriptions will not be considered.***
- All bid proposals are to include all standard dimensions and gauges for the following:
 - From 12 inch diameter through 72 inch diameter, including at a minimum, but not limited to the following: diameter sizes of 15 inch, 18 inch, 24 inch and 30 inch, and equivalent arch sizes for 2.66 inch x 0.5 inch corrugations; and
 - From 12 inch diameter through 120 inch diameter, including at a minimum, but not limited to the following: diameter sizes of 15 inch, 18 inch, 24 inch and 30 inch, and equivalent arch sizes for 3 inch x 1 inch corrugations. (OR 5X1 SUBSTITUTE FOR 3X1)
- When Counties order pipe utilizing this bid the vendor provided weights per foot multiplied by the bidder's price bid per pound will be used to determine the price of each section of pipe plus option fees added for sloped ends, bands or lifting lugs if required by the County. All math calculations are carried out and rounded to (2) decimal places.
- Sloped ends will be provided by bidder at any degree requested on any pipe size.
- Band bolts are to be included with bands at no additional cost.
- All materials proposed to be furnished under this proposal shall meet the latest requirements of the Alabama Department of Transportation's Standard Specifications for Highway Construction, and the latest AASTHTO standards for the manufacture of Corrugated Metal Pipe for Highway Construction.
- Prices bid for pick up: Bidder shall furnish the address of each of its locations to be considered for pick up by the various counties around the State. The pipes available for pick up at these locations should be listed by size, gauge, coatings and weights per foot.

- Prices bid for Delivery: Bidder shall include all freight costs in the price per pound bid based on a **\$4000.00** minimum order. Orders that fail to meet the **\$4000.00** minimum order are subject to normal freight charges at the discretion of the awarded bidder. Awarded bidder must guarantee delivery to all sixty-seven counties in the State of Alabama to the location(s) as determined by the county engineer.
- Representative must be available to assist counties in handling of complaints, if necessary.
- Bidders are not required to bid on all items.
- Each item will be awarded separately based on lowest responsible bid.
- All deliveries shall be made within three (3) calendar weeks of order to location(s) specified by county making purchase. Any metal piping order not delivered in this time period shall be reduced in total price by 10%.

BID ITEMS

ITEM 1 Round Galvanized Metal Plain Pipe

Picked Up.....

Contech Engineered Solutions **\$0.71/price per lb.**

ITEM 2 Round Galvanized Metal Pipe Full Bituminous Coating Paved Invert Coating

Picked Up.....

Contech Engineered Solutions **\$1.10/price per lb.**

ITEM 3 Round Galvanized Pipe Polymeric Coating

Picked Up.....

Contech Engineered Solutions **\$0.91/price per lb.**

ITEM 4 Round Aluminized Metal Pipe

Picked Up.....

Contech Engineered Solutions **\$0.74/price per lb.**

ITEM 5 Arched Galvanized Metal Plain Pipe

Picked Up.....

Contech Engineered Solutions **\$0.77/price per lb.**

ITEM 6 Arched Galvanized Metal Pipe Full Bituminous Coating Paved Invert Coating

Picked Up.....

Contech Engineered Solutions **\$1.18/price per lb.**

ITEM 7 Arched Galvanized Pipe Polymeric Coating

Picked Up.....

Contech Engineered Solutions **\$0.98/price per lb.**

ITEM 8 Arched Aluminized Metal Pipe- Picked Up

Picked Up.....

Contech Engineered Solutions **\$0.80/price per lb.**

ITEM 9 Round Galvanized Metal Plain Pipe

Delivered.....

Contech Engineered Solutions **\$0.85/price per lb.**

ITEM 10 **Round Galvanized Metal Pipe Full Bituminous Coating Paved Invert Coating**

Delivered.....

Contech Engineered Solutions **\$1.45/price per lb.**

ITEM 11 **Round Galvanized Pipe Polymeric Coating**

Delivered.....

Contech Engineered Solutions **\$1.08/price per lb.**

ITEM 12 **Round Aluminized Metal Pipe**

Delivered.....

Contech Engineered Solutions **\$0.88/price per lb.**

ITEM 13 **Arched Galvanized Metal Plain Pipe**

Delivered.....

Contech Engineered Solutions **\$0.92 /price per lb.**

ITEM 14 **Arched Galvanized Metal Pipe Full Bituminous Coating Paved Invert Coating**

Delivered.....

Contech Engineered Solutions **\$1.55 /price per lb.**

ITEM 15 **Arched Galvanized Pipe Polymeric Coating**

Delivered.....

Contech Engineered Solutions **\$1.16/price per lb.**

ITEM 16 **Arched Aluminized Metal Pipe**

Delivered.....

Contech Engineered Solutions **\$0.95/price per lb.**

OPTIONS COST SHEET FOR CORRUGATED METAL PIPE

Option

Option Price

Sloped ends, for cutting pipe will be an additional per foot price for the corresponding size pipe, either picked up and delivered. Note: per foot price is calculated by the weight per foot in pounds (lbs./ft.) provided by the vendor multiplied by the price per pound bid by the vendor.

Cut charge = 3x diameter
 Ex: 24' = \$72.00
 48" = \$144.00
 Price per foot \$ 96" = \$288.00

Bands shall be furnished per foot of band requested with the cost to be calculated by the weight per foot of the band multiplied by the price per pound bid by the vendor.

12'-36' charge 1.0'
 42' - 60 1.5'
 Price per foot 66' - Up 2.0'

Lifting Lugs

Per Lug per Pipe \$18.00 Ea. /Lug

COUNTY JOINT BID PROGRAM PURCHASE PROCEDURES

Effective January 1, 2008

All purchases by counties pursuant to the County Joint Bid Program shall be made by (1) mailing or faxing the appropriate Purchase Order to the vendor who has been awarded the contract for the item to be ordered **and** (2) faxing a copy of the Purchase Order to the Association of County Commissions of Alabama (ACCA) office at 334-263-7678. Purchase Order Forms and all necessary information regarding the vendor and items available can be obtained at the ACCA website (www.alabamacounties.org).

Each purchase order shall be signed by the person authorized by the county to sign and shall include the County Joint Bid Program Item Number. A copy of the form submitted shall be retained by the county.

The county shall deal directly with the company representative for the vendor in making purchases under this program. The vendor shall complete all orders in compliance with its agreement under the program, and shall deal directly with each county in processing and completing their orders and in complying with service and warranty requirements. Road sign vendors should keep in mind that they are required to deliver all items to the location identified by the county ordering them within thirty (30) calendar days from the date of order, and the cost of any items not delivered within this time period will be reduced in price by 10%.

It is important to remember that under Code of Alabama 1975, § 41-16-50(b), all purchases made pursuant to this program shall be subject to the terms and conditions of Alabama's Competitive Bid Law. Therefore, counties are only authorized to purchase the specific items awarded under the program according to the bid specifications and must comply with these procedures in placing all orders.

There can be no deletions or additions to items purchased under this program, except as specifically provided for in the bid specifications. Optional equipment authorized under the bid specifications on certain heavy equipment orders may be deleted by the county at the time of purchase, and in that event, the cost of that item as provided by the vendor shall be deducted from the total cost of the item.
