

## **BARBOUR COUNTY COMMISSION**

### **JOB ANNOUNCEMENT**

The Barbour County Commission is now accepting applications for a full-time position as County Engineer. The starting salary will be according to the Alabama Department of Personnel pay grade 84 (Professional Civil Engineer II). **Minimum requirements** include a Bachelor's degree in Civil Engineering from an ABET accredited institution and applicant must have a professional engineering license with Alabama and be in good standing with the Board of Professional Engineers. Applicants must possess a valid driver license. **Special requirements:** Applicant must have extensive experience (5-10 years) in the practice of civil engineering including responsibility for planning and directing public works engineering projects. Applicant must have knowledge of engineering methods related to road and bridge maintenance and construction and knowledge of traffic engineering, traffic safety laws and manuals.

Applications will be accepted through December 15, 2016. All interested persons must apply at the Alabama Career Center, 511 State Docks Road, Eufaula, AL. Non-local applicants may call the Career Center at 334-687-3551 to have an application emailed or faxed to them.
